

Washington-British Columbia Chapter of AFS

Serving AFS Members of Washington State and British Columbia

The Washington-British Columbia Chapter of the American Fisheries Society announces the 2015 Annual General Meeting to be held in Richmond, British Columbia, February 16-19, 2015. The meeting location is at the Executive Airport Plaza on the Westminster Highway. [Executive Airport Plaza](#) This meeting will be co-convened with the 2015 Pink & Chum Conference.

This meeting will be a gathering of fisheries professionals, scientists and academics from governmental and non-governmental entities in Washington and British Columbia that work in freshwater, estuarine and marine environments.

The Washington-British Columbia Chapter is looking to reach out to all members and fellow fisheries professionals in Washington and British Columbia, particularly Tribes and First Nations, to attend and participate in the conference.
